Business development, Studio management and creation of a unique YBS culture

Globe Trotter, Vagabondays.com

My wife and I set off on a 12 months' journey to discover the world on our terms. From Brooklyn to Montreal, we traveled westward in search for adventures with new people and cultures. A once in a lifetime experience. We logged our travel stories on a blog for which I did the photography and some writing.

RESULTS

- > New site (EN/FR) from 1 page to 50+ pages
